# Smart Anything Everywhere

## Empowering SMEs in the Digital Age

**Smart4Europe2** has received funding from the European Union's Horizon 2020 research and innovation programme under grant agreement No. 872111.

# The Strategy Behind: Digitizing European Industry Initiative

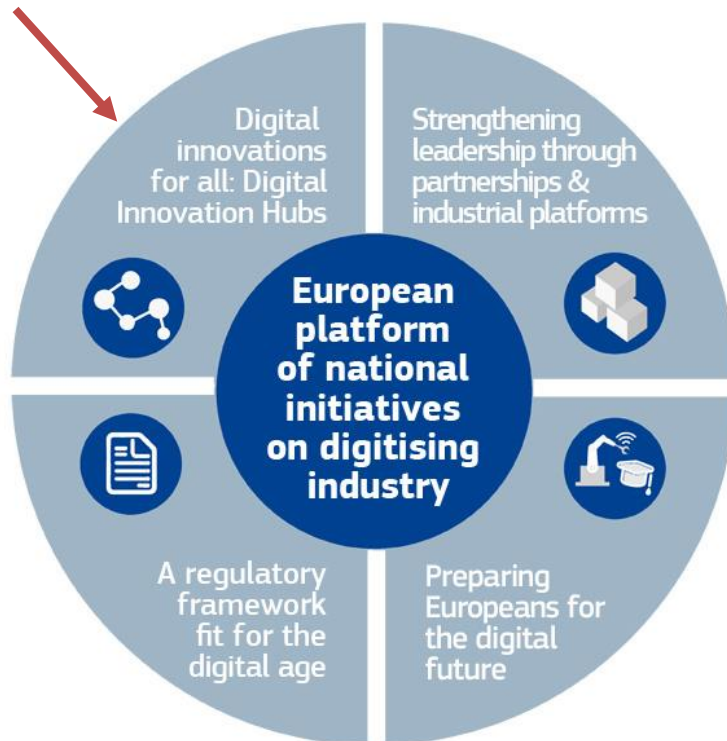

## Mission:

To ensure that any industry in Europe, wherever situated and in any sector can fully benefit from digital innovations

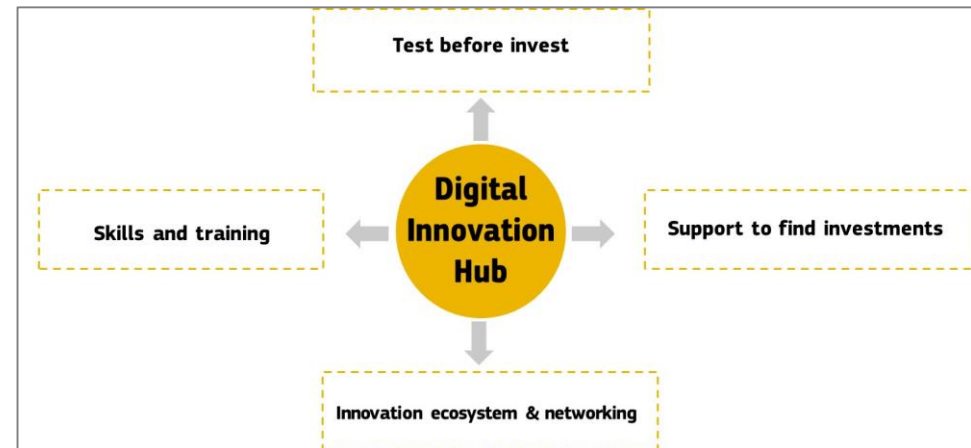

Smart4Europe2 has received funding from the European Union's Horizon 2020 research and innovation programme under grant agreement No. 872111.

## Digitizing European Industry Initiative (DEI)

## Digital Innovation Hubs (DIH)

DIHs support companies, in particular SMEs, and public organisations in their digital transformation

European DIH Initiatives include

All present today

DIHNET.EU

**Innovation Actions (IA):** Networks of DIHs providing expertise and Cascade Funding through Open Calls to support SMEs and mid-caps

**Coordination and Support Actions (CSA):** To support the consolidation of a pan-European Network of DIHs and support stakeholders of the ecosystem

# The Smart Anything Everywhere: Catalyse Digitization throughout Europe

# Smart Anything Everywhere - Goals

SmartAnythingEverywhere

To support **European start-ups, SMEs, mid-caps** (and public organisations) in their **digital transformation**

To build and consolidate a **sustainable pan-European network** of **Digital Innovation Hubs (DIH)**

Smart4Europe2 has received funding from the European Union's Horizon 2020 research and innovation programme under grant agreement No. 872111.

SAE aligns different Projects (Innovation Actions) in various Technology Areas such as

**Cyber-Physical and Embedded Systems**

**Customised Low Energy Computing powering Cyber-Physical Systems and the Internet of Things**

**Flexible and Wearable Electronics/  
Organic Large Area Electronics**

**Widening Digital Innovation Hubs**

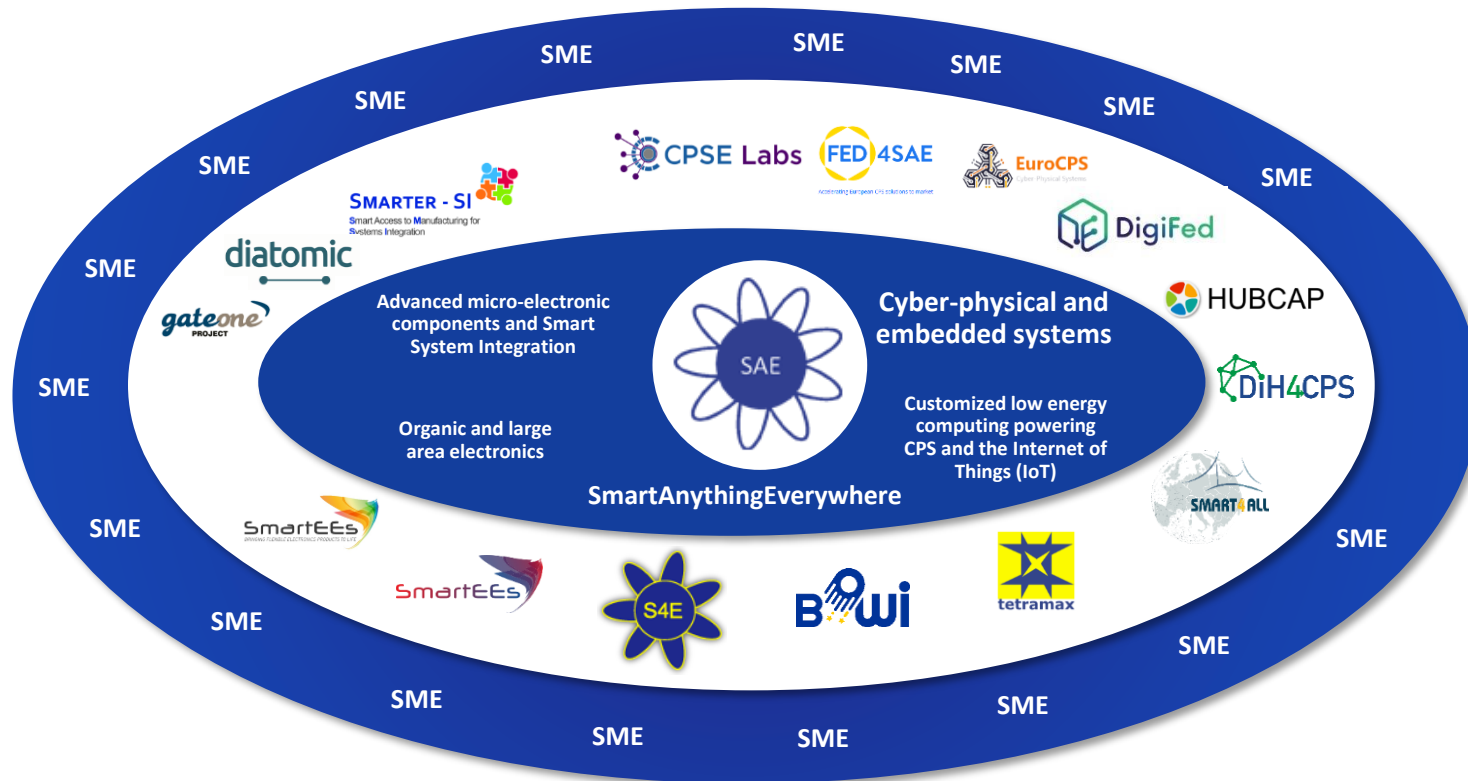

The IAs offer funding to **SMEs and mid-caps** to enhance their products and services through the inclusion of **innovative digital technologies**.

The background is a dark blue gradient with several abstract elements. There are three large, semi-transparent circular patterns that resemble gears or stylized orbits, each with a central bright blue sphere. These circles are overlaid with horizontal blue lines of varying opacity. The text "What's in it for me?" is centered in a white, sans-serif font.
